To the Registrar

The Dental Board of NSW

A report on the visit to the surgery of Dr Georgious Sotiropoulos known as The Dentists of 676 Military Road Mosman NSW 2088 on the 6th April 2009.

I entered the waiting room and showed my credentials to the receptionist and informed her of the purpose of my visit.

Dr. Sotiropoulos was informed that I was there and when he was free he came into the waiting room and made me feel welcome and said that he was only too happy to help me with my inspection.

This is a very well presented practice and it was obvious that all aspects of infection control required by the Dental Regulations 2004 are being carried out.

When I had completed my inspection we chatted for quite some time on various aspects of infection control and dentistry.

I must say it was a pleasure to be able to inspect this practice.

M. David Murphy

Inspector.
